

Week 16 - English.

This week we are challenging you to write your own song lyrics.

Think - What is your favourite song? Do you have a favourite lyric? Does it have a catchy beat? Does the song have meaning? What emotion do you feel when you listen to it; are you happy, bubbly, sad, calm?

Task 1 - Have a look at this BBC clip on writing song lyrics.

Task 2 - Google the lyrics to your favourite song (please make sure its appropriate). Underline or highlight all of the similes and metaphors that you can find.

Simile - like/as (eyes like an ocean)

Metaphor - is/are (I'm a firework)

Task 3 - Use the beat and lyrics to your favourite song to write your own. Think about the new meaning or emotion that you would like to create. Are you telling a story with music?
