

THEME CHALLENGE! WEEK 16

Making music week!

For this challenge we would like you to explore music. We want to see and hear just how creative you can be. You could: write a song, sing your favourite song, play an instrument, play a NEW instrument, you could even make your own instrument.

How ever you chose to be creative with music is fine. As long as you have fun and enjoy what you're doing. When you have created something amazing please feel free to send it to your class teachers or to Mrs Sissons at jsissons@appleton.hull.sch.uk by **Friday 10th July at 12pm.** We will then post some special mentions on the school Twitter feed later in the week.
