KS2 Online learning – Microsoft Teams

Dear Parent / Carer,

As a school, we are now using Microsoft Teams as an online learning and communication environment.

As part of their learning in Computing, your child has already been given training on this and has been accessing the platform in school. Moving forwards, we are now looking at how this can be used for home learning too. Each week, we will set a short task on the platform for the children to complete. This will be linked to their current learning.

Teams also has a 'chat' facility where pupils and teachers can interact in a safe environment. Each Team is closely monitored by both class teachers and SLT.

Attached to this letter are clear instructions on how to access the platform from your own devices. However, should you have any issues or problems, please do not hesitate to contact us.

Kind regards

Mrs Sissons
Miss Crosby
Miss Howard
Mrs V Peck
Mrs S Bowman
Mr C Murray
