

## Vocabulary

These are some of the key words that we will be using this half term. The more the children use them, the more they will 'stick'. How many ways can you use them in a sentence? Can you use them as you are out and about or think of even better ones to use instead? We are really trying to increase the variety of verbs—instead of walk, will you stride, creep, gallop?

## Appleton Foundation Stage

Autumn 2 2021

## Once Upon a Time

We will recite a poem to an audience

We will talk about some changes that happen to materials

We will know that it is OK to be different to each other

We will improve our name writing skills

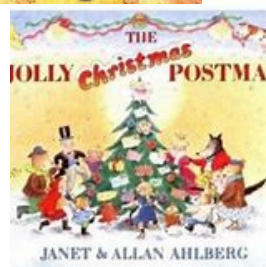

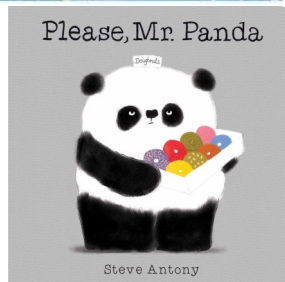

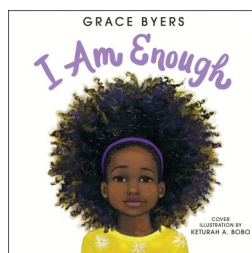

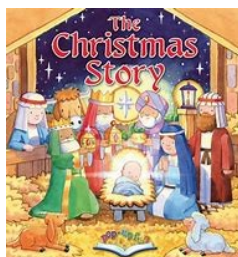

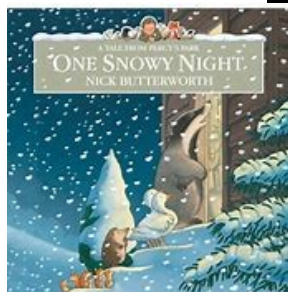

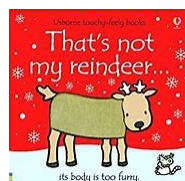

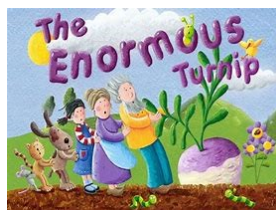

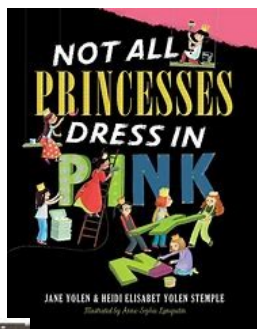

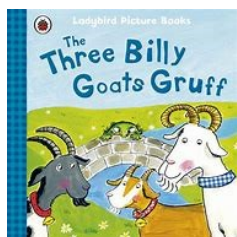

We will understand the make up and sequence of 5

We will use colour mixing to create colours that we want

We will learn different techniques to throw a ball

The main books that we will be reading this half term include these. It would be great if you could share these at home too. There are versions online, you could borrow them from the library or choose to buy them as treats or gifts. It is so important for children to be read to. Repeating books will help the children to become really familiar with the vocabulary and storyline.

Enjoy!

"A shared story between a child and a familiar, loved adult has a huge impact on children's interest and motivation for reading later on." PACEY President, Penny Tassoni.

We love to sing, chant nursery rhymes and share poems.

This half term we will be learning these. They help us to rhyme, listen to the beat and rhythm of words and help with motor skills as we add actions. Please share as many as possible as the more repetition, the more they will 'stick'.
