

Year 4 Class SB Summer Term 2025

Welcome back! We hope you all had a lovely break over Easter! Again, we have a busy term planned in school, with many exciting things for the children to look forward to. Remember to keep an eye out for our weekly newsletters with further information.

Our theme this term is *Hull*. We will mainly be focusing on learning Historical knowledge through deepening our understanding of Hull in the past linked to the fishing community. We will also be linking our topic to work in other subjects.

Our class novel will be *The Last Try* written by Tom Palmer, We will also be looking at examples of non-fiction texts and poetry.

Our Learning:

Geography —Hull

History— Hull

Art — Every picture tells a story

D & T — Digital world

Science — Living things and sound

Computing — Audio Production and data logging

Spanish —Classroom

RE— Judaism and Humanism

Jigsaw — Relationships & Changing Me

PE

Our P.E. days this term will be:

Monday and Thursday.

Children do need a full PE kit consisting of white t-shirt, blue/black shorts and sandshoes

/ trainers. As we will be going outside whenever possible, children may wish to bring a cap with the weather hopefully improving as we enter the summer months.

All jewellery should be removed for PE. Children with recently pierced ears will be provided with tape. Children with long hair should have it tied back for safety reasons.

Reading

We expect children to read at least **3 times a week** — this is part of their weekly homework. It does not have to be a full book, it could be around 10 pages but it's important that this

activity is a shared one and we ask you to please sign their reading card and return it to school on a Friday. We like to celebrate reading success and will use our Dojo reward system.

Homework

Spellings— Will be sent home on a Friday ready to be tested the following Friday.

Children also have a login for TTRockstars and MathsFlex which are fantastic resources that allows children to practise maths in a fun, engaging way. These can be accessed online and using the free mobile phone TTRockstars app.

We are always happy to discuss the children's learning or address any concerns you may have. If you would like to speak to Mrs Bowman, please contact the office to arrange a convenient time.
