

Class CH Summer Term 2025

Welcome back! I hope you all had a lovely break over Easter! Again, we have a busy term planned in school, with many exciting things for the children to look forward to.

Our theme this term is *Peace and Conflict*. Within this topic, we will mainly be focusing on learning Historical and Geographical knowledge through deepening our understanding of World War 2, building on the learning the children did in Year 5. We will be linking our topic of *Peace and Conflict* to work in other subjects.

We will be looking at the novel *The Boy at the Back of the Class* which relates to our Peace and Conflict theme. Towards the end of the year, we will also be looking at the classic author William Shakespeare through engaging with his story of *Macbeth*.

Our Learning:

Geography — Europe and major cities

History— World War 2

Art — Design for a Purpose

D & T — Textiles (Stuffed Toys)

Science — Classification and Electricity

Computing — An Introduction to Spreadsheets & Web-Page Creation

Spanish — The Weather

RE— Islam and Sanatana Dharma

Jigsaw — Relationships & Changing Me

PE

Our P.E. days this term will be a Tuesday and Thursday—with Thursday's being lead by some coaches from the Hull Kingston Rovers Foundation.

Children do need a full PE kit consisting of white t-shirt, blue/black shorts and sandshoes / trainers. As we will be going outside whenever possible, children may wish to bring a cap with the weather hopefully improving as we enter the summer months.

All jewellery should be removed for PE. Children with recently pierced ears will be provided with tape. Children with long hair should have it tied back for safety reasons.

Reading

We expect children to read at least **3 times a week** — this is part of their weekly homework. It does not have to be a full book, it could be around 10 pages but it's important that this activity is a shared one and we ask you to please sign their reading card and return it to school on a Friday. We like to celebrate reading success and will use our Dojo reward system.

Homework

Spellings— Will be sent home on a Friday ready to be tested the following Friday.

Children also have a login for TTRockstars and MathsFlex which are fantastic resources that allows children to practise maths in a fun, engaging way. These can be accessed online and using the free mobile phone TTRockstars app.

Children have also been shown other websites that they can be using to help revise key mathematical and GPS strategies for their SATS. For example: BBC's Guardians of Mathematica and BBC's GPS Crystal Explorers. As well as using their CGP SATS revision guides that we provided all pupils with in the Spring Term.

I am always happy to discuss the children's learning or address any concerns you may have. If you would like to speak to Miss Howard, please contact the office to arrange a convenient time.
